ANNOUNCEMENT

A new two volume set of directories of philosophy is now available from the Philosophy Documentation Center. The *Directory of American Philosophers* (1972-73) covers the United States and Canada; the *International Directory of Philosophy* (1972-73) covers Europe, Central and South America, Asia, Australia, and Africa. Both provide the names and addresses of philosophers, as well as data on philosophy departments and faculties, philosophy journals, philosophical societies, and publishers of philosophy books. The 1100 pages of information include complete indices. The price of this hardbound two volume set is $35.

For more complete information please write the Philosophy Documentation Center, Bowling Green University, Bowling Green, Ohio 43403.
